

Dear Parents

Thank you for your responses to our survey to choose our values. It was amazing to see that your top three responses came into the staff's top 4! Class teachers also spoke to the children and from across our school community a selection has been made.

I am very proud to share with you our new vision and values

Learning

Offering an ambitious educational experience, developing a lifelong love of learning for all.

Loving

Fostering a spirit of self-worth, compassion and respect across our community.

Together, empowering resilient, responsible global citizens.

Living

Creating leaders who are inspired to serve, enabling us to live life in all its fullness.

Let all that you do be done in love. 1Co 16:14

Once we had our new vision and a shortlist of values in place, we looked at our curriculum and after much research and discussion have decided to become a partner school with a curriculum called 'Learning means the World'. This curriculum will enable our pupils to access a modern and relevant learning experience which meets their needs and supports them in being lifelong inspired learners. This curriculum is divided into 4 themes across the school year and we have tied our values to them to enable everyone to easily understand what we are doing.

Our new values are:

Friendship and Respect

Forgiveness and Love

Resilience and Honesty

Compassion and Fairness

To facilitate this new curriculum and in line with the most up to date research we are also restructuring our class organisation which will be as follows;

EYFS/Y1

Explorers GS – Mrs Geraghty and Mrs Shipman

Explorers JM – Miss Melinn

Y1/2

Pathfinders RG – Mrs Rhodes and Mrs Gaylard

Pathfinders SA – Mrs Arthurs

Pathfinders GN – Mrs Newton (Miss Bryan)

Y3/4

Adventurers WD – Mrs Daley and Miss Blankley

Adventurers JS – Mrs Spendlove

Adventures ES – Mrs Spence

Y5/6

Navigators TG – Mrs Tosh and Mrs Garland

Navigators JM - Miss Marshall

Navigators PH – Mrs Hills

We have created the new classes with **Learning, Loving and Living** at the heart of our decisions. The staff have created groups of pupils who work and live well together and we have asked all the children to name a friend that they would like to be with next year.

It is inevitable that some pupils will feel unsettled with the prospect of change but please be reassured we are doing everything we can to prepare them – your positive outlook on these exciting changes will go a long way to settle your child and we appreciate your support with this.

We will be letting you know which class your child is in on Friday 9th July by parentmail as reports are sent with your child.

Many thanks and we look forward to an exciting 21/22 academic year.

Jayne Watson
