Dear Parents

Our school milk scheme

Our school provides a milk scheme that is available to all of our pupils and we would like to invite you to register your child. School milk is free for all under-fives and is subsidised for pupils aged five or older at around £15.00 a term.

Each pupil that registers with Cool Milk will receive a carton of semi-skimmed milk everyday, which is delivered fresh and chilled to the classroom. Their school milk will not only provide them with essential nutrients, but as it is rehydrating and energy boosting it also bridges the gap between breakfast and lunch to help children stay focused.

You can find out the top ten reasons to drink school milk at www.coolmilk.com/whyschoolmilk.

How to register

Milk is completely **free** for all children aged under five and is **subsidised** for children aged five or older.

For all new Reception pupils

- We will register your child unless you ask us not to. Your child should then receive milk each day.
- Free milk will continue until the Friday before your child's fifth birthday. You will receive an email before this time- if you wish your child to continue to receive school milk simply make a payment.

For children aged five or older

- Complete a registration form online at www.coolmilk.com. Shortly after registering you will receive a payment request.
- You can pay Cool Milk either online, over the phone or at a local PayPoint in half-termly, termly or annual instalments.
- Please pay by Tuesday 5pm for your child's milk to start the following week.

If you have any questions regarding school milk please visit www.coolmilk.com or contact Cool Milk directly on 0844 854 2913. More information on milk is also available from the school office.

Kind regards,
