

Gonerby Hill Foot Church of England Primary School

PE and Sport Premium 2019/20

Purpose

Playing sport helps to keep people healthy and is good for communities. Playing sport at school or in a local club is also the first step to competition at the highest level, which helps improve our reputation as a sporting nation, and contributes to economic growth.

But when people leave school they often stop playing sports, which means people can't fulfil their sporting potential, and can lead to a less healthy lifestyle. The government wants to get more people playing sport safely from a young age, and help them keep playing sport throughout their life, no matter what their economic or social background.

Allocation and Use at Gonerby Hill Foot – 2019/20

At Gonerby Hill Foot Church of England Primary School we are dedicated to providing children with the opportunity to take part in sport and lead healthy lifestyles. Developing a positive attitude towards sport and activity from an early age will encourage children to remain fit and healthy into adulthood. In addition, it can raise children's confidence and enable them to be better learners. We are delighted that the government continues to recognise the value of high quality sports opportunities for children and we are working hard to promote and provide a wide range of sporting activities.

For the academic year 2019/20 we have been allocated additional funding through the government's PE and Sport Premium. As a school we have been allocated £16,000 with an additional £10 per pupil amounting to a total of £18,890. Below you will find how we are allocating that money (approximately) and how it will benefit our pupils.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that they should use the premium to:

- develop or add to the PE and sport activities that they already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Academic Year: 2019/2020	Total fund allocated: £18,890	Last updated: September 2019
------------------------------------	---	-------------------------------------

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 29%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
<p>All children improve their understanding of healthy lifestyles.</p> <p>All children have the opportunity and are encouraged to be physically active at playtimes and lunchtimes.</p>	<ul style="list-style-type: none"> Appoint Sports TA to ensure pupils play physically active games at lunch and playtimes. Part of the TAs time is to set up games and train and lead the children as playground leaders. The Sports TA will run after-school clubs, including football and running, to increase uptake in sport, particularly targeting pupils who lead less active lifestyles. Spring - Introduce the daily mile for lunch time/before or after school 	Portion of cost £5,455		Daily mile - need to find a way to include community/families so that we can apply for lottery funding for an all weather track.
Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement				Percentage of total allocation: 25%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Children are inspired to participate in sports and other physical activity.	<ul style="list-style-type: none"> Train four pupils to be Sports Ambassadors to work alongside Sports TA and PE leader in promoting physical/healthy activity. Sports Ambassadors will also help with running clubs and playground leaders. 	(as above)		
Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation: 38%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Children receive quality PE sessions that equip them with	<ul style="list-style-type: none"> The Sports TA will support the teacher in PE lessons, ensuring that more pupils get 	Portion of cost £8,185		

the knowledge, skills and motivation necessary for a healthy, active lifestyle and lifelong participation in physical activity and sport.	direct feedback and support to develop their skills.			
Key indicator 4: Broader experience of a range of sports and activities offered to all pupil				Percentage of total allocation: 3%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
<p>Children have the opportunity to try out a new sport.</p> <p><u>All children</u> have the opportunity to take part in a large variety of sports clubs at school.</p>	<ul style="list-style-type: none"> A large proportion of our children travel to school by bike or scooter, which we encourage. All the reception children will have the opportunity to take part in regular Balanceability sessions – practising their core PE skills using balance bikes. As well as providing them with extra physical activity and encouraging them to get on their bikes and scooters at home, the sessions encourage them to be safe when traveling to and from school. Bikeability is now only partially funded by the LA. We are continuing this programme of cycling proficiency for pupils in Y5 pupils in May. Fencing - To increase pupils' interest and motivation in a range of sports, 90 KS2 pupils to have a block of fencing lessons with MSPro in Term 3. <i>Mini Olympics – 50 Year 3 pupils will take part in a day of non-competitive athletics activities</i> Our Sports TA will run before and after-school clubs, including Kwik Cricket, to increase pupils' interest and motivation in a range of sports and with an emphasis on working as a team and getting everyone moving. 	<p>£550</p> <p>£480</p> <p>£595</p> <p><i>Find out if we can go at a cost.</i></p> <p>£2,725 portion of cost</p>		

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation: 4%
School focus with clarity on intended impact on pupils:	Actions to achieve:	Funding allocated:	Evidence and impact:	Sustainability and suggested next steps:
Every pupil is able to take part in as many competitions as possible.	Subscription with the Schools' Sports Games Organiser who organises interschool games and competitions, such as football and the swimming gala. Facilitating participation will be supported by the Sports TA.	£900		

In addition to our use of the premium, we support our aims in the following ways:

Teaching assistants, teachers and governors use their own time to provide children with a number of sports clubs. A midday supervisor is our dedicated lunchtime play leader who works with the Sports TA to organise the play leaders and encourages and teaches other pupils how to play traditional games. MSPro also provide afterschool clubs for children as an alternative to other forms of afterschool childcare. This demonstrates the school's ethos and determination to promote sport and activity and ensure every child has opportunities beyond the national curriculum for PE. We value and encourage all participation in extracurricular physical activity and sport and this is also celebrated in our weekly celebration assembly where pupils share their achievements in football, rugby, judo, Jui Jitsu, taekwondo, golf, swimming and horse riding to name but a few.

In Autumn 2019, our Friends of School Association (FSA) has given us £2,500 from our fund raising to purchase new equipment for PE and the playground. Included in this we have purchased outdoor table tennis tables, badminton nets and a range of other equipment to ensure pupils have active playtimes, have enough equipment for lessons and clubs.

As well as ensuring all children have access to additional physical activity, we also provide further opportunities in our DT and PSHE curriculums to learn about healthy lifestyles.
