

# Gonerby Hill Foot Church of England Primary School

## PE and Sport Premium 2016/17

### **Purpose**

Playing sport helps to keep people healthy and is good for communities. Playing sport at school or in a local club is also the first step to competition at the highest level, which helps improve our reputation as a sporting nation, and contributes to economic growth.

But when people leave school they often stop playing sports, which means people can't fulfil their sporting potential, and can lead to a less healthy lifestyle. The government wants to get more people playing sport safely from a young age, and help them keep playing sport throughout their life, no matter what their economic or social background.

One of the ways the government hope to achieve this is by spending £450 million on improving physical education (PE) and sport in primary schools over the next three academic years (2013 to 2016) to improve provision of physical education (PE) and sport in primary schools.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that schools should use the premium to:

- develop or add to the PE and sport activities that the school already offers
- make improvements now that will benefit pupils joining the school in future years

### **Allocation and Use at Gonerby Hill Foot – 2015/16**

At Gonerby Hill Foot Church of England Primary School we are dedicated to providing children with the opportunity to take part in sport and lead healthy lifestyles. Developing a positive attitude towards sport and activity from an early age will encourage children to remain fit and healthy into adulthood. In addition, it can raise children's confidence and enable them to be better learners. We are delighted that the government continues to recognise the value of high quality sports opportunities for children and we are working hard to promote and provide a wide range of sporting activities.

For the academic year 2016/2017 we have been allocated additional funding through the government's PE and Sport Premium. As a school we have been allocated £8,000 with an additional £5 per pupil amounting to a total of approximately £9,380. Below you will find how we are allocating that money (approximately) and how it will benefit our pupils.

Academic Year: <b>2016/2017</b>		<b>Total fund allocated: £9,380</b>	
PE and Sport Premium Key Outcome Indicator	School Focus/ planned <b><u>Impact on pupils</u></b>	Actions to Achieve	Planned Funding
1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles	<p><u>All children</u> improve their understanding of healthy lifestyles.</p> <p><u>All children</u> have the opportunity and are encouraged to be physically active at lunchtime.</p>	<p>Legacy Challenge Children complete healthy lifestyle challenges to earn bronze, silver and gold certificates.</p> <p>Lunchtime Play Leader Mandy Fields continues to be our dedicated lunchtime play leader who organises the play leaders and encourages and teaches other pupils how to play traditional games.</p>	<p>Inspire+</p> <p>£2500</p>
2. the profile of PE and sport being raised across the school as a tool for whole school improvement	Children are inspired to participate in sports and other physical activity.	<p>Inspire+ Continue to work with Inspire+, a local sports charity, with a membership that best meets the needs of our pupils. This includes access to most of the opportunities accounted for throughout this report. The charity provides support for the new PE lead as well as a means of tracking pupil participation in PE to ensure every pupil benefits from the premium. We release our teachers to attend specialist subject leader training to increase the effectiveness of the Leadership &amp; Management of our PE. Alongside the training days, our subject leader is supported by specialists from the local area and works alongside PE leaders in other schools.</p> <p>Inspirational Ambassadors Sam Ruddock, Sarah Outen and Ben Smith will visit school for an assembly.</p>	<p>£2250</p> <p>£250</p>
3. increased confidence, knowledge and skills of all staff in teaching PE and sport	Children receive quality PE sessions that equip them with the knowledge, skills and motivation necessary for a healthy, active lifestyle and lifelong participation in physical activity and sport.	<p>Specialist Coaches In addition to the training that we access through Inspire+, we will also buy in their specialist coaches: In term two and three Mike Hale will work alongside nine of our teachers who are new to REAL PE, helping them to implement the PE skills scheme and skills assessments. In term five Carole Foot will support six teachers with their teaching of REAL gym. In term six, Graham Brewer will be working with five more teachers on outdoor and adventurous activities such as orienteering. To ensure we are making the most of our specialist coaches, we will alternate</p>	£1380

		<p>team teaching sessions with independent teaching sessions where the teacher is able to practise all that they have learnt.</p> <p>REAL Gym scheme We have purchased the real gym programme which provides schemes of work and support for teachers from Reception right up to Year 6 so that they will have the confidence and skills to deliver outstanding gym. Like Real PE, it is fully aligned to the new National Curriculum and Ofsted requirements and focuses on the development of agility, balance and coordination, healthy competition and cooperative learning. In addition to buying the scheme, we will send two members of staff to full day training sessions (so that they can disseminate the core principles to the rest of the teaching staff) and buy in the services of Carol Foot, a specialist teacher, to help staff implement it.</p>	£450
4. broader experience of a range of sports and activities offered to all pupils	<p>Children have the opportunity to try out a new sport.</p> <p><u>All children</u> have the opportunity to take part in a large variety of sports clubs at school.</p>	<p>Balanceability A large proportion of our children travel to school by bike or scooter. We encourage this in every way we can. All the reception and year one children will have the opportunity to take part in regular balanceability sessions – practising their core PE skills using balance bikes. As well as providing them with extra physical activity and encouraging them to get on their bikes and scooters at home, the sessions encourage them to be safe when traveling to and from school.</p> <p>Year 3/4 children will have the opportunity to try different Paralympic sports including Boccia and Goalball.</p> <p>Mini Olympics Year 3/4 children will take part in a day of non-competitive athletics activities</p> <p>Graham Brewer outdoor adventure/hockey afterschool club for pupils in Term 6.</p> <p>Year 5/6 Netball Club We have a number of year six children who were keen to expand their netball skills so arranged for a specialist netball coach to run an afterschool club.</p> <p>Try to get pilot Sarah Outen outdoor adventure club</p>	<p>£1000</p> <p>Inspire+</p> <p>Inspire+</p> <p>Coaching</p> <p>£210</p> <p>Inspire+</p>

5. increased participation in competitive sport	Every pupil is able to take part in as many competitions as possible.	Schools' Sports Games Organiser The SSGO organises interschool games and competitions, such as football and the swimming gala.	£1100
1. Other	Children have a full range of sports equipment available.	PE Equipment We will buy a large amount of PE equipment, including apparatus, to replace old or damaged equipment and to increase the range of resources available. The equipment is used for PE lessons, competitions and school sports clubs.	£1800

In addition to our use of the premium, we support our aims in the following ways:

Teaching assistants, teachers and governors use their own time to provide children with a number of sports clubs. MSPro also provide afterschool clubs for children as an alternative to other forms of afterschool childcare. This demonstrates the school's ethos and determination to promote sport and activity and ensure every child has opportunities beyond the national curriculum for PE.

Dr Bike regularly visits our school, encouraging the children to bike and scooter regularly and safely. As part of this the children take part in an annual pedalthon, competing against other schools to cycle the most miles over the course of a week. The year five children take part in bikeability, improving their confidence and knowledge of how to stay safe while further encouraging them to cycle.

As well as ensuring all children have access to additional physical activity, we also provide opportunities further to our DT curriculum to learn about healthy lifestyles. As part of our Healthy Living week, Roots to Food come to school to work with all children on improving their understanding of healthy eating and how to prepare nutritious, balanced meals.
