

Dear Parents/Carers

Please encourage your child to try these activities at home:

Reading – each day

1. Read every day, for at least 15 minutes, from your school book, home books and Bug Club (Active Learn – log in details are in their home learning diary: <https://www.activelearnprimary.co.uk/login?c=0>).
2. Revise phonic sounds phase 3 to 5 via phonics play: <https://www.phonicsplay.co.uk/> - user name = march20 and password = home OR in their home learning diary page 138-139.
3. Read tricky words for phase 3 to 5 via phonics play: <https://www.phonicsplay.co.uk/> - user name = march20 and password = home OR in their home learning diary page 148 and word list on page 156-157.
- 4.

English – each day

1. Write 2-3 sentences in your diary about what you have been doing at home.
2. Handwriting practice – one letter (letter shapes can be found in the home learning diary on page 141).

Maths – each day

Complete the maths ‘problem of the day’ – posted on Class Dojo, so please check this each day. Then pick one option, each day from the list below:

1. Number bonds to 10 - <http://www.ictgames.com/saveTheWhale/index.html>
<https://www.topmarks.co.uk/maths-games/hit-the-button>
2. Doubles - <https://www.topmarks.co.uk/maths-games/hit-the-button> (game).
<https://www.youtube.com/watch?v=SH05lyHGGV0&safe=active> (singing).
3. Odd and even numbers - <https://www.doorwayonline.org.uk/number/oddandeven/>
4. Fact families - https://www.youtube.com/watch?v=_2ma8v1GFV0&safe=active - watch together and then give your child 3 numbers to make a fact family
5. Counting forwards and backwards to 20, 50 and 100.
6. Counting in multiples of 2, 5 and 10 to 100.
7. Mathletics – complete home learning tasks and then continue to practice and play.

For added fun the children will also have access to J2E, a computing site - <https://www.j2e.com/>. They use their Mathletics log on details to log in (found in their learning diary).

In addition to this, I will be uploading each week, on a Monday (for when we are not in school, but excluding Easter Holidays) one additional topic related activity: this might be History, Geography, Science or RE. If there are any queries about the home activities please get in touch with me via Dojo message.

Take care everybody and I hope to see you all soon.

Mrs Arthurs
